OR

Work email

☐ Yes! I would like to receive promotional emails including product news, events and more from Atlassian and its affiliates.

By clicking below, you agree to the [Atlassian Cloud Terms of Service](#) and [Privacy Policy](#).

Agree

- Depending on the way you chose to register, there will be some additional verification that you need to perform. Verify your e-mail or allow google to use your account with Atlassian.
- Now you have to create your site with Jira. Choose a meaningful name and follow the naming rules:  
"Your site name must be 3 or more lowercase letters and/or numbers. Hyphens are ok if they're in the middle."

8. Give it some time to create your site.

## One moment, your site is starting up

Thanks for signing up! Our robots are working on your Atlassian Cloud site. This won't take more than a minute or two. You'll be taken there once it's ready.

9. Once done, you will be prompt to answer new series of questions. You can skip those or you can answer as follows:

### 9.1. Skip

### Recommend a project

Answer a few questions and we will suggest a project type that works best for you and your team.

### Help us set up your Jira

**Skip**

Next

## 9.2. Answer

### Recommend a project

Answer a few questions and we will suggest a project type that works best for you and your team.

## Help us set up your Jira

I am **new to** Jira.

I am setting up Jira for **my software team(s)**

My team is **new to** agile methodologies.

We spend our time working on **fixing bugs**.

We have a **flexible** schedule to finish our work.

[Skip](#) [Next](#)

10. Next you will have to create your project. Click on "More templates".

## Create project

You can change these details anytime in your project settings.

\*indicates a required field.

Name \*

Template

**RECOMMENDED**  
**Kanban**  
Visualize and advance your project forward using issues on a powerful board.

## 14. Your project is ready.

The screenshot shows the Jira Software interface. At the top, there's a navigation bar with 'Jira Software', 'Your work', 'Projects', 'Filters', 'Dashboards', 'People', 'Apps', and a 'Create' button. Below this, the left sidebar shows the project name 'Bugs-And-Bugs-Trac...' and a 'Back to project' link. The main area is titled 'Issues' and contains a search bar, a dropdown for 'Project: Bugs-And-Bugs-Tracking', and filters for 'Type', 'Status', 'Assignee', and 'More +'. A message in the center states 'No issues were found matching your search'.

15. The next time you visit <https://www.atlassian.com/> and log in, click on the  button and choose "Jira Software" to navigate to your project/s

The screenshot shows the Atlassian website homepage. The navigation bar includes 'ATLASSIAN', 'Products', 'For teams', and 'Support'. A dropdown menu is open, showing options to 'Switch to' Jira Software, Jira Work Management, or Administration. The main content area features the text 'It's possible with teamwork' and an illustration of a diverse team.
